Dear Colleagues,

As the winter break draws near, I want to extend to each of you a warmest regard for all that you do for the children of Windham. Whether it be your consideration for those in need, a gift of heart, or a smile with support, you make all feel a part of our school system. Your compassion and caring for others as well as the work you do in the classroom speaks volumes for the character and integrity of who you are and what you do as educators.

During the break I hope that you all get a chance to spend quality time with family and friends, gain some rest, celebrate the season, and experience its peace. Please know that we recognize and appreciate all that you do. As I have gotten to know and work alongside many of you, I continue to be amazed, and inspired by what you do. The people of Windham are fortunate to have you guiding and educating their children, knowing that they are in good hands.

I am honored to be part of the Windham team, and to share in your giving of heart and soul for the betterment of our students. They are most fortunate.

Again, enjoy the winter break and may the turn of the New Year bring heartfelt joy, memories, a celebration of another passing year, and encouragement of the one to come.

Sincerely,

Richard Langlois
